Public Health Manager

Regulatory Affairs Director

Renewable Energy Researcher

Restoration Specialist

Soil and Plant Scientist

Waste Management Engineer

Water Quality and Purification Specialist

Wildlife Manager

2. After you have completed your research, group with others who investigated the same career to create a video of what a day in the life of that career might look like. You may interview someone with the job, look on youtube.com to find activities they might engage in, or shoot video of yourself or others doing those activities.

3. Share with your classmates.
