

AFNR Plants and Horticulture Plant Industry Pathway

Work together in a small group to investigate a different pathway of the plant industry. Use the internet or agriscience textbook to research the **definition of the pathway** and **two career options** with educational requirements within that pathway. (This may require multiple websites/resources to find all the information.) Present your findings to the class using one of the presentation methods found below, or one of your own choosing. Be sure to include a list of resources used.

Plant Industry Pathways:

1. Agronomy
2. Arboriculture
3. Botany/Research
4. Floriculture
5. Forestry
6. Horticulture
7. Landscaping
8. Nursery Operation
9. Orchard

Presentation Methods:

- Google Presentation
- Thinglink
- Glogster
- Other favorites?

Notes on research: search terms used, websites visited, local colleges offering coursework, etc.
