

GMOs: What do you know? Breakout

UV Writing Instructions

The UV pen is an invaluable tool to give clues and add information to the cards. Follow these instructions to add information.

Card Sort Instruction Sheet – on the front top right corner of the card, write: **Turn Over**

On the back of the card write: **In real life, answers aren't always black and white. Sometimes it is necessary to exist in the gray. Are there more than two possibilities?**

Card sort cards

Item	Write in UV marker	GMO? (see card sort deck for explanation)
Square Watermelon	Was the DNA of these fruits changed?	No
Pineberries	What is a hybrid? Is it a GMO?	No
Rio Red Grapefruit	How were the genes changed to create this fruit? Were genes moved from one organism to another or were the genes manipulated in another way?	No
